

Let's listen to the song

My (1)..... dreams and broken heart
Are mending on the (2).....

I (3)..... you holding hands
Standing (4)..... to someone else
(5) I sit all alone
Wishing all my feeling was (6)
I (7) my best to you

Nothing for me to do
But have one last (8)
One last cry
Before I (9) it all (10)
I've (11) put you out of my (12) this time
Stop living a lie
I (13) I'm down to my last cry

I was here, you were there
Guess we never could agree
While the sun (14) on you
I need some love to (15) on me
Still, I sit all alone
Wishing all my feeling was gone
Gotta get (16) you

Let's listen to the song

Nothing for me to do
But have one last cry
One last cry
Before I leave it all behind
I've gotta put you out of my mind this time
Stop living a (17)

I know I've gotta be strong
'Cause 'round me, (18) goes on and on and on
and on

I'm gonna (19) my eyes
Right after I end my one last cry

One last cry
Before I leave it all behind
I've gotta put you out of my mind for the very
last time
Been living a lie, I
I guess I'm (20)
To my last cry
