- [ ] **A.** Every year shops sell about 1 000 000 000 of these clothes in the world.
- [ ] **B.** It helps to understand: whether it's a boy's item or a girl's one.
- [ ] **C.** The company says that we should help our planet be a greener place and reuse things.
- [ ] **D.** There was no such job as "models" at those times.
- [ ] **E.** It was the colour of rich people.
- [ ] **F.** It stopped in 1910 because of the changes in fashion. Now usually girls wear dresses and skirts.
- [ ] **G.** It is not true! Such shoes were very popular in the 18th century. Even among men and children.
- [ ] **H.** They changed colour and it looked great.
- [ ] **I.** They thought that was very bad for your health if you put your right foot in a left shoe.
- [ ] **J.** It's not true. Only 12% of the material is used again
