Traditions

CULTURE 1: SPAIN

1 Listen and read. What is Chloe watching?

Posted 3.15 p.m.

Hi, I'm Chloe. I'm in Spain on my exchange visit. I'm visiting the local town with my host family and my friend, Elvira. We're walking around the local town. Oh, look – there's a fiesta in the town square! Let's go and see. There's a lot of music playing and everyone's clapping their hands. Men, women, boys and girls are starting to dance. We're watching them – it's a traditional country dance. They're amazing! The dancers are waving their arms in the air and spinning around. They're stepping to the left and to the right. They're stepping forwards three steps and backwards three steps. They're spinning around again with their partners. They're spinning quickly! They are dancing beautifully!

Fun Fact!

Football is the most popular sport in Spain.

Spain is a country in southwest Europe. The capital city of Spain is Madrid. The south of Spain is warm and sunny most of the year. The north of Spain is rainy. More than 46 million people live in Spain.
