Prepositions of Time («Before» and «After»)

COMPLETE THE RULE. ***Study the sentences*** **a** and **b** from the **LEAD IN** activity and ***choose the correct option*** to complete the rule below.

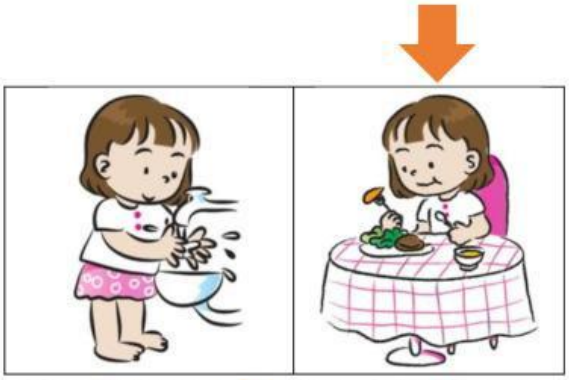

LEARN THIS! ***before / after***

a. The word **«before»** / **«after»** means somethings happens first, and then something else happens later:

I wash my hands before I have dinner.

b. The word **«before»** / **«after»** means somethings happens later, when something else is finished:

I have dinner after I wash my hands.
