Part 2 – Complete the Story

It was a cold, _____ morning when Mia began her long _____ through the Scottish Highlands. The _____ peaks stood against the gray sky, and the _____ paths made every step harder. She stopped for a moment to catch her breath and listen to a distant _____ carried by the wind.

In the distance, she noticed a narrow _____ running through the surface of a massive ___. Climbing it took all her _____, but she refused to give up. When she finally reached the top, she looked down upon green _____ and tiny cottages below.

It felt like stepping into another world. As the fog lifted, Mia smiled and thought of her recent _____ – she had finally finished her novel, which was already being called a _____ by early reviewers. She laughed at the _____ of it all and whispered, 'Maybe this is my true _____.'
