3. Writing Topic: "My Healthy Habits"

Write about your healthy habits by answering these questions.

- What do you do every day to stay healthy?
- What healthy foods do you like to eat?
- What exercise or activity do you like to do?
- Why do you think these habits are important?

Example:

Hi, my name is Anna. Every day, I make sure to stay healthy by doing different activities. In the morning, I go for a run to start my day with energy. I love eating healthy foods like apples  because they are sweet and full of vitamins. In the afternoon, I ride my bike  with my friends. This exercise helps me stay fit and strong. For dinner, I always eat a salad with fresh vegetables, which I believe is important for a balanced diet. These healthy habits are important because they make me feel strong, happy, and ready for a new day.
