 What Does Stef Want to Do? More Memories, Less Stuff

Hi! I'm Stef. Every January, I make a list of things I want to do. I love to travel, meet new people, and learn something different every year. Last year, I decided to go to Chile. I wanted to take photos of nature and try local food. I visited the south and learned so much about culture and language.

This year, I plan to visit a new country again. I hope to travel with friends and speak more Spanish. I don't want to buy more things—I want to live more experiences. I'd like to do something exciting and new every year. I believe it's better to collect memories, not things.
