

Name: _____

Class: _____

1. Write the name of the object/place in the pictures.

2. Answer the questions.

Where will you go if you have a day off from school?

Where would you go if you could travel anywhere in the world?

What would you do if you could have dinner with a famous person?

What will you do if you don't understand your homework?

What would you change if you could change one thing about your school?

3. Read the paragraph and write the missing words.

When some people hear the word 'environment', they think of changing climates. (1) **Other** people imagine ways to help the environment. For example, saving water, recycling, or even using less transport and walking (2) _____ riding bikes more often. The different types of weather we (3) _____ on Earth like ice, snow, rain or fog can also be considered when we think about our environment. The seasons we have of spring, summer, autumn and winter mean the weather (4) _____ often. What is the weather like at the moment in your part of the world? Is it sometimes cold, foggy or windy? Or (5) _____ you experiencing the summer months where it's hot, sunny and maybe even stormy? On (6) _____ planet, we have so many beautiful landscapes too. Some people enjoy going on holiday to see them.

Lots (7) _____ people are lucky because they have a beach, the sea, some mountains, a forest, or even a waterfall in their country. Is there a landscape you like best?

Another interesting thing about where people live is the difference between living in a city and living in the countryside. Both things can be fun. In the city, there are lots of tall buildings, people and traffic.

In the countryside, there can be so (8) _____ special kinds of environments such as fields, ponds, lakes, rivers, streams and woods. There might even be a cave or a castle to explore if you're feeling adventurous!

It's sad to think that our environment gets hurt sometimes (9) _____ people don't treat it well. If we try our best to look after (10) _____ our world, humans, plants and animals will be.

Our planet has a long history and we hope that it will have a long future.

We must take care of our environment because if we don't, nobody else will!

1	a) the	b) other	c) another
2	a) or	b) is	c) then
3	a) have	b) has	c) haven't
4	a) changed	b) changing	c) changes
5	a) am	b) is	c) are
6	a) our	b) his	c) her
7	a) if	b) of	c) an
8	a) many	b) much	c) lots
9	a) also	b) when	c) because
10	a) happy	b) happier	c) happiest

4. Imagine you are a local tour guide talking with a group of foreign tourists about your hometown. You can answer these questions:

- Where is it?
- What is your town famous for?
- What makes you proud of your town?
- What are some important changes in your town?
(Describe it in the past and now)
- Are there anything should/shouldn't change about your town and why?
