

# AGREE OR DISAGREE

**Give your honest opinion to each statement:**

1. "Too much nostalgia prevents people from living in the present."

2. "Childhood memories are often idealized and not as perfect as we think."

3. "Music and movies from the past are better than anything produced today."

4. "Nostalgia is stronger for people who feel dissatisfied with their current lives."

5. "Recreating old experiences is never as satisfying as the original moments."
