II. Read and choose the correct answer for each question.

Anna

I live in an apartment in the city with my parents. Our apartment is on the 8th floor, so every day we take the lift. We try to use energy efficiently, and we also have a water tub on the balcony to collect rainwater for plants

Jack

My family has a stilt house in the countryside. It's built from local materials like wood and bamboo, and it feels cool in summer. The house is higher than the ground, so it is safe in the rainy season when there is a lot of water.

Clara

My parents built a detached house last year. It has a big garden where we grow flowers and vegetables. On the roof, we use solar panels. Sometimes we invite friends to stay in a small bungalow in the garden.
