

Part 1

VOCABULARY

Read the text and choose the correct word(s) to complete the sentences.

Words:

homesick / dormitory / tutor / campus / dining hall / learning-resource center

Starting college is an exciting step in life. The _____ is a lively place where students from many countries come together to study and make new friends. Many live in the _____, sharing rooms, ideas, and late-night conversations. At first, some feel a little _____ because they are far from home, but soon they begin to enjoy the freedom and new experiences.

Students often meet in the _____ to eat and talk about their day or plan group projects. When extra help is needed, a friendly _____ is always ready to explain lessons and offer advice. For research and study, everyone visits the _____, which provides access to books, computers, and online materials. College life is full of challenges, but it also builds confidence, independence, and lasting friendships. It's truly a time when learning goes beyond classrooms and becomes a journey of personal growth.
