

TIPOS DE BULLYING

Dear Sungate Times,

I am sad. My friends write bad things about me on Facebook. The comments were not true, and I feel bad. I am writing because I think that all adults should help with this problem. Teachers should keep us safe. It is important to stop bullying on the internet.

Thank you.
Yours truly,
Samantha Smith

1. Listen to the words, write them and choose its meaning.

Listen	Writing	Meaning
