Peartree Hotel, Singapore

John ★★★★★ "Good for families" reviewed Aug 12

I have just come back from a one-week vacation at The Peartree Hotel. The hotel looks great and I was very impressed when I arrived! Although the room was nothing special, the view of the garden was great. The aircon worked well, which was important because it gets so hot and humid there in July. Most of the staff were very friendly, except for one receptionist named Carla who never smiled. The food was fantastic! I am not easily impressed, but I was amazed at the size and variety at breakfast. Definitely go for the rate that includes breakfast as I did. It's worth it, and you won't be hungry until dinnertime. Watch out for the price of drinks from the mini-bar in the room, though. I emptied it and stocked it with water and juice from the store across the street, which was much cheaper. They weren't happy, but it's their fault for charging too much.

I didn't realize when I booked, but the hotel provides live music entertainment every night. I am not interested in that kind of thing, and my room was right above the disco. It was very loud, and went on until after two every night, which kept me awake. If you have young children or need your sleep, I would suggest you request a room at the back of the hotel and on a high floor. The swimming pool was OK, but a little small for the size of the hotel and there weren't enough sunbeds. I spent most of the time at the beach – it's beautiful and clean, and it's only three minutes' walk from the hotel. The resort itself had lots of shops and places to eat. Overall, I probably won't go back, but for families with children it's a good choice.

2. What does the advertisement NOT mention?

- (A) There is a mini-bar in every room.
- (B) There is a 24-hour business center.
- (C) There is a beach close to the hotel.
- (D) There is live music in the evenings.

Subject: Group Visit

Dear Mr. Smith,
Hello, my name is Jared Tate and I am a professor in the History Department at Clark University in downtown Maryville.

I am teaching an introductory history course for freshmen this semester, and I thought it would be helpful to attend the event featuring Mr. Campbell. His talk is very pertinent to the subjects we are currently covering in class.

I was also wondering if it would be possible to arrange a question-and-answer session between Mr. Campbell and my group of about 50 students. Please tell him that we are looking forward to seeing him.

I appreciate your reading my e-mail and I hope to hear back from you soon.
