## A Letter from Camp Sunshine

Dear Mia,

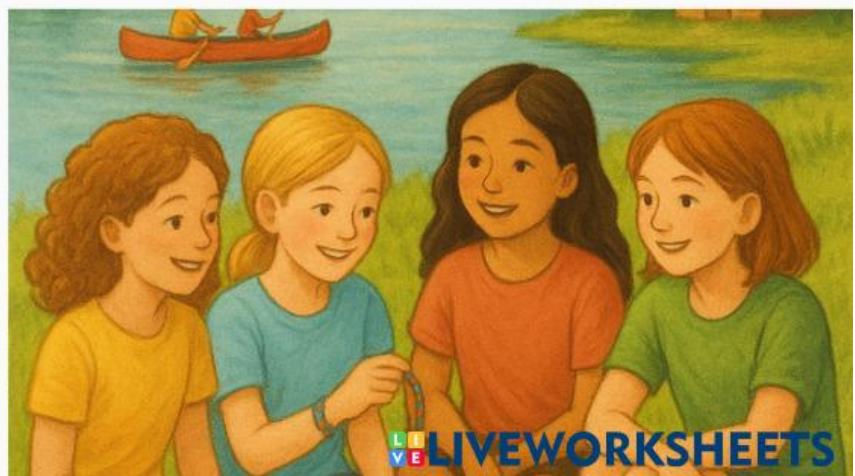

How are you? I'm having a great time at Camp Sunshine! The camp is in a beautiful forest by a lake, and I share a cabin with Emily, Sarah, and Chloe. We've become really good friends.

We've done so many fun activities. My favorite has been canoeing on the lake. We also go hiking and saw a deer yesterday! In the afternoons, we do arts and crafts. I made a cool friendship bracelet for you.

The camp counselors are super nice and have taught us a lot about nature. We even planted a small garden. The food here is delicious, and my favorite has been the s'mores we made during a campfire night.

I miss you a lot and can't wait to see you when camp is over. How is your summer going? Write back soon and tell me all about it!

Lots of love,  
Lily
