Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions.

According to historical records, tea, associated with Buddhism, was and originated in pagodas and temples. It was called "Tea Meditation". This form of tea then quickly became popular in the Vietnamese royal court.

In the past, that sophisticated tea was enjoyed by the king and **nobles**. Differently, people at normal class simply picked green leaves from tea trees, washed them, softly rumpled, boiled and enjoyed it. In the course of contacts with the Chinese and European industrial approach for many years, Vietnamese people also learned, practiced and created prerequisites for the development of Vietnam's own tea industry.

Traditionally, drinking Vietnamese tea is considered a daily habit of the old people in households and in society in general. In the morning, people start a new day with some cups of tea to wake their power. Patio or garden in the backyard is among the most favorite places for tea appreciating for its closeness to nature, as some fresh air can give extra flavor to the tea.

Consuming tea after meals is also a habit that is loved by many people, when all family members can gather and talk about what they have done during the day. Tradition is out and modern is in, however, generation after generation, tea is not only part of Vietnamese everyday life, but also an **essential** part of the nation's history and economy.

Question 31. What did normal-class people do to make tea?
A. Used special royal tools and scented flowers like the nobles
B. Only drank tea in the morning with family, without making it at home
C. Picked green leaves, washed them, softly crushed, boiled, and drank
D. Bought tea from factories and drank it cold without boiling
