Moving to a New Town

Hi, I am Mindy! I just start staying in a new town which is far away from my old house. My new school is next to a police station but far from my father's office.

The first month in my new town was a bit strange. I had got many friends in my old school but I did not have anyone to play here. Then, something awesome happened ! A girl who I saw a few times before at the playground actually is my neighbour. She also goes to the same school as me but she is in different class. Now, we are best friends, and we walk home together every single day.

Back in my old place, we did everything at the park. However, things are different here. Each fun thing has its own special place. You can play basketball at the court, cycle at the park or you can have some quiet time at the library.

I had a hard time finding my way at first since this place is pretty big. So last week, my best friend drew a map. Now I can move around a lot easier. I cannot wait to see what other things I can do with my new friends!
