7.- What can't Eli stand using ?

4.- What does Andrés prefer using to listen to music?

8.-What doesn't John mind it is a good invention?

ii.-Read and complete the table

My friends likes and dislikes

My name is Irene , I am a very friendly person; I have 6 best friends. I know Romina since I was 5 years old. I met her in the kindergarten. She is very talkative. She is 15 years old. She likes to use her cellphone to talk to me but she hates to send whatsapp messages. My other friend is Victor. He is a really intelligent guy. He really loves to drive his car but he dislike cycling, he is afraid to ride a bike. My other friend is Constanza. She is a little bit crazy. She really enjoys playing video games. She doesn't like to listen to music in her computer. I have a new friend who is called Miguel. He is a reckless friend. Miguel likes to move and do physical activities. His favorite activity is playing tennis. He can't stand be sitting and studying in his computer. Miguel has a brother and he is Ignacio, Ignacio is my friend too. He is a shy friend. Ignacio prefers to stay at home and help his mother with the housework, He hates ironing though . Finally my best friend is Antonella, she is Adventurous .She loves exploring new places and countries , so she enjoys traveling by a plane but she dislike to be at home. I really love all my friends I have so much fun with them.

Name	Likes ☺	Dislikes ☹
Romina	She likes to use her cellphone	She hates to send whatsapp messages
Victor		
Constanza		
Miguel		
Ignacio		
Antonella

*Because you waste too much time in it= Porque pierdes mucho tiempo en el.

*Because it is too expensive= Porque es muy caro

*Because it is small and you can take it everywhere= Porque es pequeño y lo puedes llevar a todos lados.

Technological device	Reason why you like ☺ or don't like ☹
Laptop	I like the laptop because you can do many things at the same time

Transcript

i.-Listen and choose the correct answer

1.-What does Alejandra like to use every day?

My name is Alejandra and I'm a fan of different technological things I'll say that I like the flash drive the mouse in the computer I think my favorite thing to use every day is the mouse I can't use the computer without a mouse because it's too sensitive and I prefer to use the mouse instead of just a computer

2.-What do Karem and Luisa love to use?

Karem and Luisa are artistic people they like to record videos and take pictures and they also like to use their laptop to prepare the pictures and making the films they work together and they prefer to use a camcorder to film the videos and takes pictures at the same time.

3.-What does Eduardo hate to use?

Eduardo is not very technological he doesn't like to use certain things he's not good at using cameras or keyboard, he hates to use keyboard he's not good at the computers so for him it's really stressfull

4.- What does Andrés prefer using to listen to music?

Andres is a fanatic of music he loves to listen to music he prefers to listen to music in something that is not that big but at the same time it makes him to feel away from the world, for him the mobile phone is not that useful and the loudspeaker is not good for the Neighbors, so he prefers to listen to music with his headphones

5.- What do they enjoy using to do the housework?

Caroline and Oliver are husband and wife they like to do the housework they say the washing machine is good for cleaning but it is not that good because it doesn't clean very well the clothing . They also like the dishwasher but it doesn't save water, so they enjoy using the vacuum cleaner, they clean the whole house and it's really good and they keep that house super brilliant

6.-What doesn't Jimmy like to use to take pictures?

Jimmy is a photographer he thinks that taking picture it has something special, he likes to take pictures with something that is really useful he has more than one option with this device. it's not the laptop because it's a little bit complicated to focus the image, On the other hand, he likes to use camcorder because he has more capacity and he can take more pictures in there, the camera is not a good option for him because it is not that modern.

7.- What can't Eli stand using ?

Eli has always had had problems with this device she thinks that it's super complicated it doesn't do the things that she wants she can't stand using the printer.

8.-What doesn't John mind it is a good Invention?

My name is John and I'm thinking about what is the best invention, I really don't mind the rocket was good invention even though you could go in the outer space and there see the world from outside but I thinks it is not that useful for everybody just some people like astronauts can use them, about the socket it is really good because you can now plug your devices that electronic devices which is really good but I don't think it's that the best invention .for me the best invention is the airplane or plane because you can travel around the world and you can be in one place after a couple of hours, I think that is fantastic and you don't need any training for that
