Test Unit 3

1/ Read the text and answer the questions:

The robbery

Last Saturday, I was shopping in town with my daughters. I wanted to post some letters, so I went to the post office. My two daughters were laughing and joking. The post office sells magazines and sweets, so I asked them to look at the magazines quietly while I waited in the queue.

I think it was about twelve o'clock. There was a man in front of me and some people behind me. An old woman was talking to a young woman about a TV show, I think. Behind them there was a young woman. I know her. She works at the bank. She smiled at me. Two young men were waiting at the desk. They were writing something and the cashier was waiting for them to finish. Then one of the men took a gun from his pocket and shouted „Don't move!“ He had blond hair and wore glasses. We were all very frightened, but we didn't move.

A few seconds later, a tall man with dark hair ran into the post office. He had a gun too and he shouted: „Hurry up. I'm outside with the car!“ I was very worried about my daughters but they were quiet. They knew the men were dangerous. Then everything happened very quickly. I remember the door opened again and four policemen ran in. The two robbers couldn't escape. One policeman was shouting at the men, when the other policeman jumped on the man with the gun. The gun fell on the floor and about a minute later I heard a police car siren.
