--	-------------------

My name is Emily and I think I'm a typical teenager. I don't eat breakfast because I don't have time. I just drink a glass of milk and then I usually eat a sandwich during the break at school. I love Italian food and for lunch I often have pizza or pasta. I don't really like vegetables but my mother says they are good for me, so I sometimes eat lettuce.

My favourite meal is hamburgers with chips. I cook this meal with my dad every Friday. Last week all my friends came home to have dinner. They really liked our hamburgers.

I like music and sports. Every weekend I play football in the local club, and I play the guitar in the school band.

1. Emily has a big breakfast at home.
2. She never eats vegetables.
3. Her friends don't like hamburgers.
4. Her friends visited her last Friday.
5. She can play a musical instrument.
