

FRUITS

Across

- 4.** A bell-shaped fruit that is usually green or brown.
- 5.** A small, sour, green citrus fruit, similar to a lemon.
- 6.** A small, round fruit that grows in clusters and can be made into juice or wine.
- 7.** A small, dark purple or red fruit with a single pit (seed) in the middle.
- 9.** A round, citrus fruit that shares its name with a colour.

Down

- 1.** A round, red, green, or yellow fruit often eaten whole.
- 2.** A small, fuzzy brown fruit with bright green flesh inside.
- 3.** A very sweet tropical fruit with a large, flat seed inside.
- 5.** A sour yellow citrus fruit used to make juice or flavour food.
- 8.** A small, red, sweet fruit, often eaten with cream or in a pie (e.g., strawberry).
