2. Put the story in order and find the message

Jack takes the ax and cuts the beanstalk down. The giant disappears.	Be principled and respect other people's objects.	Jack and his mother live happily ever after.
Jack lives with his mother in a poor house.	Jack climbs the beanstalk 3 times and gets: money, a magic hen and a harp. The giant does not like this.	Jack sells the cow for beans and the mother gets furious because they need money, no beans.
