

Our Body

Nature has given us a beautiful body. Each part of our body does different functions. Do you know that every part of our body has a name?

Complete the name of body parts by using the Help Box :

KNOW MORE

1. Our body is covered with skin.
2. The parts of our body, which we can see, are called external parts.

HELP BOX

ear, hair, nose, eye, neck, hand, mouth, chest, shoulder, leg, knee, finger, foot
