Practice identifying the correct Chord Patterns

TIPS

Try to identify all of the Chord I

Use your knowledge of Cadences to help work out some of the Chords

Try using the Bass notes to work out how far away the Chords are from each other

I
If you trust in your soul

Keep your eyes on the goal

Then the prize you won't fail

That's your grail, that's your grail.

I
Love hurts, love scars,

Love wounds and mars

Any heart not tough

Or strong, strong enough

To take a lot of pain,

I
Wherever you go, Whatever you do

I will be right here waiting for you

Whatever it takes, Or how my heart breaks

I will be right here waiting for you

I IV V
Just one look, that's all it took, yeah

One look, that's all it took, yeah

I
Just one look and I felt so I, I, I'm

in love with you, oh, oh

I found out how good it feel, feel, feels

To have your love, oh, oh

I
Don't know much about history

Don't know much bi-ology

Don't know much about a science book

Don't know much about the French I took

I
But I do know that I love you

And I know that if you love me too

What a wonderful world this would be.

I
Oh my love, my darling

I've hungered for your touch

A long, lonely time

I
And time goes by so slowly,

And time can do so much

Are you still mine?
