

OUR LIKES AND INTERESTS

Hello! My name is Laura and I'm from Mexico. I love dancing and listening to pop music. I also like pizza and chocolate. I don't like coffee – it's too bitter for me!

My brother Tom likes sports. He plays soccer and basketball every weekend. But he doesn't like reading books. He prefers watching movies.

My best friend Sara likes art. She loves drawing and painting. She doesn't like playing video games – she says they're boring.

And what about you? What do you like doing in your free time?
