D. The sun often rises in East.

**Read the following sign or notice and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions.**

**Question 29:** What does the sign say?

 <p><b>TAKE OFF YOUR SHOES</b></p>	<ol style="list-style-type: none"> <li>1. You should buy shoes from here.</li> <li>2. You mustn't put on your shoes</li> <li>3. Get information about shoe sales</li> <li>4. Get information how to tie shoelaces.</li> </ol>
---	---

**Question 30:** Where should students go?

 <p>Just a reminder about our School Sports Day next **Friday, June 20th**. Be at the school football field at **8:00 AM** in your sports clothes. Bring water and a hat!</p>	<ol style="list-style-type: none"> <li>A. To the gym</li> <li>B. To the classroom</li> <li>C. To the school football field</li> <li>D. To the main office</li> </ol>
--	--

**Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.**

A hobby is an activity people love doing in their free time. There are many types of hobbies. One of the easiest hobbies is collecting things such as stamps, letters, stones, photos, clothes, CDs, and so on. There are indoor and outdoor hobbies. Many teenagers like indoor activities such as playing computer games, surfing the Internet, watching movies, or listening to music. Some indoor activities such as reading, playing a musical instrument, and learning aren't as **popular** as they were in the 20th century. Gardening, walking, horse riding, cycling, skateboarding, mountain climbing are outdoor hobbies. Riding a bicycle is the most popular among them because many children have a bike. There are other types of hobbies as well: visiting museums or travelling. These hobbies are quite expensive, so just a few people can do them.

**Question 31.** When do people do their hobbies?

- |                       |                          |
|-----------------------|--------------------------|
| A. In their free time | B. In their working time |
| C. In their busy time | D. All are correct       |

**Question 32.** Which of the following is the easiest hobby?

- |                          |                  |
|--------------------------|------------------|
| A. Playing computer game | B. Skateboarding |
| C. Collecting items      | D. Cooking       |

**Question 33.** What hobbies were more popular in the 20th century?

- |                                       |                             |
|---------------------------------------|-----------------------------|
| A. Reading and learning               | B. Horse riding and cycling |
| C. Playing computer games and cycling | D. Watching TV              |

**Question 34.** Which is NOT an outdoor hobby?

- |              |                    |
|--------------|--------------------|
| A. Gardening | B. Watching movies |
|--------------|--------------------|

C. Mountaining

D. Skiing

---	---

*Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each of the following questions from 32 to 36.*

### HEALTHY DIET

There are two important matters in eating. First is eating enough food. If people eat too little food or wrong food, they will not have **enough** energy. If they eat too much, they are easy to get \_\_\_\_\_ overweight.

Secondly is eating right food. It means we need to eat correct quantity of each type of food. For example, it is not good to eat too much food in high-calories group and too little fresh and vegetable. So, how do we have a right and balance diet?

Firstly, we need to reduce the amount of high-calories food. Fat in that type of food may lead you to heart disease. Secondly, you also should not eat too much sugar. You can completely get energy from other food. Eating sugar is bad for your teeth. Thirdly, it is good to have a rich-fibre diet. We can find fibre from rice, bread, etc. It is nutrients. It can give you lots of energy, but it does not contain much calories, so you are not afraid of getting **overweight** when you eat much fibre.

**Question 32.** How many important matters do we need to care in eating?

- A. One                      B. Two                      C. Three                      D. Four

**Question 33.** What will happen if we do not eat enough food?

- A. We will not have enough energy.  
B. We can lose weight and keep fit  
C. Nothing happens  
D. We can save a lot of money spending eating.

**Question 34.** What will happen if we eat too much food?

- A. We will have enough energy.  
B. We are easy to get overweight.  
C. Nothing happens  
D. It can give us lots of energy and we will be healthier

**Question 35.** What type of food is harmful to our teeth?

- A. Protein                      B. Rice                      C. Bread                      D. Sugar

---	---

**Read the passage and decide whether the statements are True (T) or False (F).**

Community service is when you work for free to help benefit the public or your community. Usually, students who choose to do community service do so as volunteers, meaning that they choose to help out because they want to do so. Community service can have a lot of positive effects on students, such as helping them to develop skills, making contacts, and allowing them to improve the quality of life of others.

You probably know some students In your school who choose to volunteer their free time through community service. There are many ways that you can do this, such as joining a non-profit organization, working with a church group, or you can choose a cause and create your own service project.

Volunteer work can range from the relatively simple, like helping coach the football team at your old junior high, to the much more complex, like starting a non-profit that helps homeless people in your area.

32. Students often do community service as volunteers.

33. Community service allows them to improve the quality of life of others.

34. No students choose to volunteer their free time through community service.
35. Joining a non-profit organization is the only way to do community service.
36. There are many types of volunteer work, both simple and complex ones.
