Hello! My name is Aygul. I live in a small but cozy house with my family. There are four rooms in our house: a living room, a kitchen, a bedroom, and a bathroom. The living room is my favourite room. There is a big brown sofa, a soft carpet, and a TV on the wall. We often watch movies there in the evening.

The kitchen is next to the living room. It is bright and clean. There is a table, four chairs, a fridge, and a small window. My mother likes cooking there. My bedroom is not very big, but it is very nice. There is a bed, a desk, and a lamp. I do my homework at the desk.

Behind the house, there is a beautiful garden with green grass, flowers, and one big apple tree. In summer, I play there with my dog. I love my house very much because it is warm and comfortable!
