Hi. My name is Ezgi. I'm from Türkiye. I have a healthy breakfast with my family every morning. I never eat junk food or fast food. I hate sweet things like croissants, waffles or cookies. They are unhealthy. I eat many things for breakfast like butter, boiled eggs, bread, cheese, olives, tomatoes and cucumbers. I always drink orange juice; it is my favourite. My father sometimes buys bagels on weekends. We eat them with cheese and butter. I think we need to have a nutritious breakfast every morning to be healthy.
