

### Listening Practice: *Electric Blue — Icehouse*

If a boy had a \_\_\_\_\_, a \_\_\_\_\_ with someone like you  
Are you gonna \_\_\_\_\_ his \_\_\_\_\_, let him cry for the \_\_\_\_\_  
Are you hiding somewhere behind those \_\_\_\_\_?

I just \_\_\_\_\_ you see through me  
And it's all over you, \_\_\_\_\_  
On my \_\_\_\_\_, help me baby  
Tell me, \_\_\_\_\_

Oh I had a \_\_\_\_\_, for a moment I believed it was \_\_\_\_\_  
Oh I'd have given \_\_\_\_\_ just to be there with you  
Are you \_\_\_\_\_ somewhere \_\_\_\_\_ those \_\_\_\_\_?

I just \_\_\_\_\_ every time you see through me  
And it's all over you, \_\_\_\_\_  
In too \_\_\_\_\_, standing here waiting  
As I'm \_\_\_\_\_ in two, \_\_\_\_\_

\_\_\_\_\_, can see that it may be  
Just a \_\_\_\_\_ of you, \_\_\_\_\_  
On my knees, help me baby  
\_\_\_\_\_ what can I do, \_\_\_\_\_

**(Help me baby)**  
Are you hiding \_\_\_\_\_ behind those \_\_\_\_\_?

*(Bridge)*

I just \_\_\_\_\_ you see through me  
And it's all over you, \_\_\_\_\_  
In too deep, standing here \_\_\_\_\_  
As I'm breaking in two, \_\_\_\_\_  
\_\_\_\_\_, can see that it may be  
Just a vision of you, \_\_\_\_\_  
On my knees, help me baby

\_\_\_\_\_ (x2 go to the bridge)
