Comparative and superlative adjectives

Comparative adjectives

To make comparative adjectives, we normally add **-er** or **-r**.

*This table is **cheaper** than that table. It's **nicer** than those over there.*

For adjectives ending in consonant + **-y**, we delete **-y** and add **-ier**.

*William is **funny** but Eric is **funnier** than William.*

For adjectives with two or more syllables, we put **more** before the adjective.

*These new chairs are **more comfortable** than the old chairs.*

The opposite of **more** is **less**. We use **less** in the same way as **more**.

*This sofa is **less comfortable** than that sofa.*

The two most common adjectives that have irregular comparatives are **good** and **bad**.

*Ryan is **good** at football, but Olly is **better** than Ryan.*

*Ryan is **worse** at football.*

1 Change the adjectives into comparative adjectives.

1 white whiter

2 happy happier

3 comfortable more comfortable

4 soft softer

5 expensive more expensive

6 modern more modern

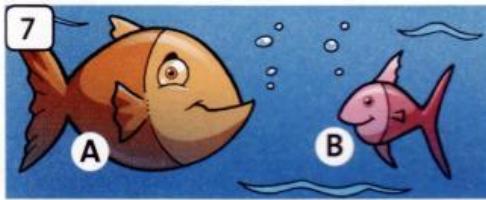

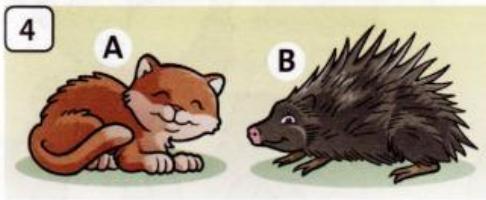

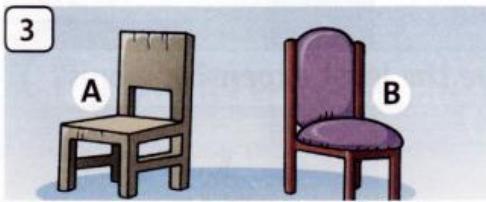

7 big larger

8 tall taller

2 Look at the pictures and write sentences. Use the comparative adjectives from exercise 1 in the same order.

3 Look at the table. Complete the sentences. Use comparative adjectives and **less**.

	Tall	Intelligent	Happy

- 6 Olly is Alice.

Superlative adjectives

To make superlative adjectives, we normally add **-est** or **-st**. For adjectives with two or more syllables, we put **the most** before the adjective.

*I like French and Geography, but History is **the most interesting** subject.*

The opposite of **the most** is **the least**. We use **the least** in the same way as **the most**.

*All the lamps are expensive, but this one is **the least expensive**.*

The two most common adjectives that have irregular superlatives are **good** and **bad**.

*Olly is **the best** at football.*
