EX2. Read the passage and choose the best answer A, B, C, or D to each of the questions (Comprehension).

Every year, thousands of young people participate in volunteer activities in their local **communities**. These activities range from cleaning up parks and beaches to helping the elderly and tutoring younger students. Volunteering offers numerous benefits. Firstly, it gives young people a chance to develop crucial **soft skills** like teamwork, communication, and problem-solving. Secondly, it helps them understand the difficulties faced by disadvantaged people, fostering a sense of empathy and responsibility. Many volunteers say that the feeling of contributing to a good cause is incredibly rewarding, making their free time more meaningful than just consuming entertainment.
