

# Airlines

International airlines are those airlines which fly to other countries.

Match the countries and the logos of the right airlines :

| | Country | | Airline | | Logo |
|---|---|---|---|---|---|
| 1 | South Africa | a | Susi Air | i | QANTAS |
| 2 | China | b | Qantas | ii | AirAsia |
| 3 | Hong Kong | c | AirAsia X | iii | SusiAir |
| 4 | Indonesia | d | Mango Airline | iv | mango |
| 5 | Malaysia | e | Air China | v | DRAGONAIR |
| 6 | Australia | f | Dragonair | vi | AIR CHINA |

**KNOW MORE**

The longest flight is now a Delta flight between Johannesburg and Atlanta, which at 17 hours has the longest duration, while the longest route is a Qantas flight between Sydney and Dallas – around 8,500 miles.
