9 Circle the correct phrase.

In a small town in Southern Italy, a lottery prize for the (1) (*incredible*) / *authentic* / *irresponsible* sum of €50 million has got everyone excited. The ticket-owner purchased the ticket last November – and when the numbers were drawn the same week, this (2) *guilty* / *unsuspecting* / *illegal* mystery person did not collect the prize money – which seems (3) *unsuccessful* / *unsafe* / *improbable*, but true. Then a young woman found the (4) *unused* / *fake* / *misused* ticket in a local supermarket, and amazingly – for how many people would be (5) *honest* / *credible* / *dishonest* in this situation? – she contacted the lottery company and reported her find. So the lottery company is searching for the original ticket-owner, but the prize will go to the young woman after a period of one year, then at least she can accept the prize money with a (6) *clear* / *fair* / *light* conscience.

1 point for each correct answer | | 5
