Travel and Holidays

Last summer, my family travelled to the Carpathians. We stayed in a small cottage near a waterfall. The scenery was breathtaking – green mountains and a clear stream. We went hiking every day and took photos of the wildlife. My brother spotted a deer! The accommodation was basic, but the hospitality of local people was amazing. They offered us traditional food. Although the weather was changeable, we didn't mind the rain. We prefer staying in nature to staying in big hotels.
