My town

My name is Luca. I love my town. There are lots of interesting places!

There's a skate park near my house. I always go there at the weekend. I'm learning to skate. I often meet friends at the café on Saturday. We eat sandwiches and have fun.

I always go to the swimming pool on Tuesday. I sometimes go to the cinema with my friends. We watch funny films. I never go to the post office. I don't write letters. I send emails to my friends. I sometimes go to the supermarket with my family. We buy nice food.
