Task 2: Read and write True (T) or False (F).

MY BEST FRIEND!

My best friend is Daisy. She is twelve years old and we are in the same class. Daisy is not very tall, but she is slim and pretty. She has long curly hair and big brown eyes. She often wears colorful clothes and a pink hairband. Her smile is very beautiful and everyone likes it.

Daisy is a cheerful and friendly girl. She always says "hello" to teachers and friends every morning. She likes helping others and often helps new students find their classrooms. Daisy is also hard-working. She studies every day and always finishes her homework before dinner. She likes English and often reads short stories in her free time.

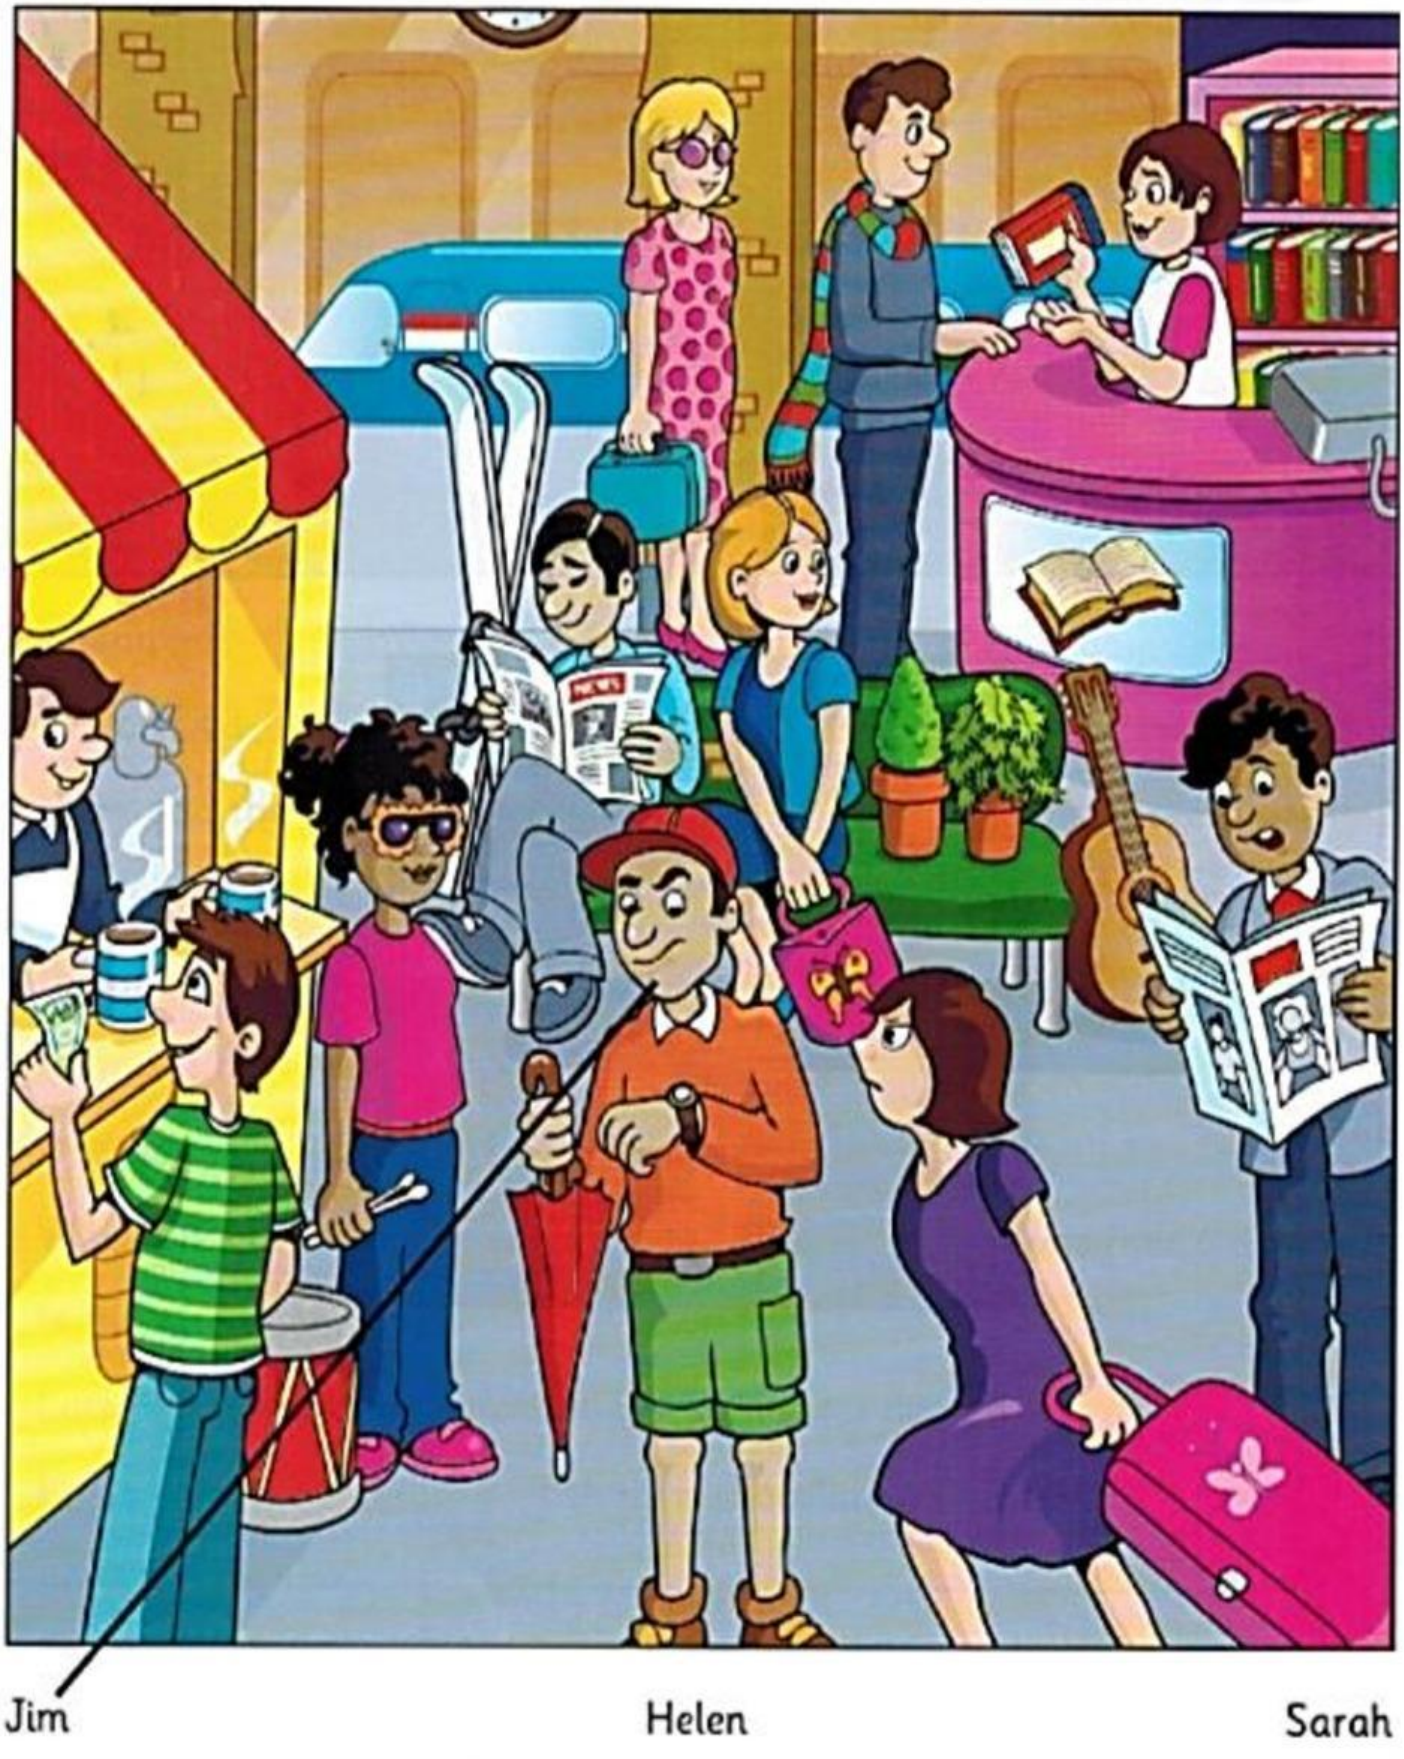

Sometimes Daisy is a little shy when she meets new people. She doesn't talk much at first, but after a few minutes, she becomes very funny and talkative. She is also an honest girl. Yesterday, she found a wallet in the schoolyard and gave it to the teacher.

I really like Daisy because she is kind, friendly, and fun. When I feel sad, she always makes me laugh. Everyone in our class likes Daisy a lot.
