

Crops in India

Match the states with the crops grown there. Remember, one state can be known for growing more than one crop :

1	Assam	a. sugarcane
		b. rice
2	Maharashtra	c. wheat
		d. spices
3	West Bengal	e. rubber
		f. cotton
4	Uttar Pradesh	g. jute
		h. tea
5	Kerala	i. oranges

KNOW MORE

More than 50% of people in India depend on farming for their livelihood.
