### **THE HUNGER GAMES**

My brother (0) give me *The Hunger Games* by Suzanne Collins for my birthday. I didn't (1) thought I would like it, but as soon as I (2) start reading it, I loved it. I didn't want it to end. I (3) think the story, which takes place in the future, was very original. The book (4) have an unusual theme. I (5) find the main character, Katniss Everdeen, very believable and I really (6) want her to win the Hunger Games competition. The story was so exciting that I (7) stay up all night to finish it. Some people didn't like the book because they (8) say there was too much fighting in it, but I disagree. I can't wait to read the next book in the series.
