

# My Pet

Hi, my name is Sofia, and I want to talk about my PET (0). I have a small dog. His name is Rocky. He is \_\_\_\_\_ (1), and he has short fur. Rocky is very friendly and cute. He has \_\_\_\_\_ (2) and a long tail that moves a lot when he is happy.

Rocky can do many things. He can \_\_\_\_\_ (3), and he can jump high. He can also play fetch with a ball. When I say "sit," he understands and sits down. He is very intelligent.

However, Rocky can't do everything. He can't \_\_\_\_\_ (4), of course, and he can't open doors by himself. He also can't stay alone for many hours because he gets sad and nervous.

I love Rocky because he is my best \_\_\_\_\_ (5). He makes me happy every day.
