	My Daily Routine and My Pet Fish
	My School Day and My Dog
	My Daily Routine and My Favorite Video Games

Hi! My name is Lucas, and I'm in 7th grade. I want to tell you about my daily routine and my pet fish.

I wake up at 6:45 every morning. First, I brush my teeth and wash my face. Then I have breakfast. I usually eat cereal with milk. After that, I go to school. I have classes from Monday to Friday. My favorite subject is Science. At 12:30 I come back home and have lunch with my family. In the afternoon, I do my homework and sometimes I play video games. In the evening, I take a shower, have dinner, and go to bed at 10:00.

I also want to talk about my pet. I have a fish named Bubbles. He is small and orange. He has shiny scales, and his fins look like little wings. Bubbles lives in a glass tank with green plants and colorful stones.

Bubbles can swim very fast and he can eat tiny fish food. He can also hide behind the plants when he feels scared. But he can't play with me like a dog, and he can't make any sounds. He also can't live outside the water.

Even if he can't do many things, I like watching him swim. He makes me feel calm and happy.
