

Wendy

Hi! I'm Wendy. I am British and I live in York. I am thirty years old and I am a teacher in a primary school in Liverpool. The school where I work is not far from the place where I live, so I usually go to work by bike. I love riding my bike because it's a healthy activity and it helps to protect the environment from air pollution.

I always have a busy day. I get up at 5.30 am, I do some exercise, then I have a shower and a quick breakfast. At 7.30 I take my bike and I leave home. Lessons start at 8. I love my

pupils. Actually, I decided I would be a teacher when I was a child. My mum and my dad were teachers too. I leave school at 3 pm. and then I either run in the park or go swimming. When I'm back home, I do some housework and, in the evening, I am very tired in fact I go to sleep at 9.30 pm! At weekends, I am the laziest person on Earth! I get up late, I have a relaxing bath, then I have a big breakfast and I read a book. I love reading crime stories and my favorite writer is Agatha Christie. In the afternoon, I watch TV and I have a cup of tea with my neighbor Nelly who is a very nice person. In the evening, I meet my friends. We have a pizza together or we go to the cinema.
