

A) Read the story: "The Holiday".

Tom lives in a busy city but he loves adventure. One summer, he goes on holiday with his family. They travel to the mountains, and Tom is very excited. Every morning, he wakes up early and looks out at the tall trees and the blue sky. After breakfast, Tom and his family put on their trainers and go for a walk. They can see birds, flowers, and animals along the way. Tom wants to take photos of the birds, but it is impossible because they move very fast.

One day, Tom and his family visit a beautiful lake in the mountains. The water is clear and blue. Tom sits on a big rock by the lake and puts his feet in the cold water. He finds some stones and throws them into the lake. The stones jump three times on the water, and Tom feels excited. His parents clap and cheer for him. Then, they have a picnic by the lake. They eat sandwiches, fruit and cookies. Tom enjoys the fresh air and the relaxing sound of the water.

In the evening, they return to their house. Tom is tired but happy. They sit around the fireplace and talk about their day. Tom drinks hot chocolate and looks at the stars in the sky. Before going to bed, he writes in his journal about his adventures. He is really excited about exploring more of the mountains tomorrow.
