

State Birds

The male Indian peafowl (peacock) is one of the most colourful birds in the world. It is also India's National Bird. The states of India too have their state birds which are striking in appearance and are commonly seen in that region.

Write the name of the state birds :

1 

Uttar Pradesh

2 

West Bengal

3 

Maharashtra

4 

Sikkim

5 

Chhattisgarh and Meghalaya

6 

Jharkhand

7
