KIDS THREE FINAL EXAM

Paper 2

Time allowed: 1 hour

A) Read the story: "The Rabbit and the Turtle".

Tatty the turtle enjoys taking walks around a lake. While walking one day, she meets Roy the Rabbit.

"I think slow movers can't walk along this road" the rabbit says.

"The road is for everyone" the turtle answers.

"Let's have a race" the rabbit says.

"OK" the turtle accepts the challenge.

The next day all the animals watch the race. The race starts. The rabbit runs very fast. The distance between them is very big. After running for some time the rabbit sees carrots next to the road. He stops to eat them. He is so full that he decides to sleep for a while.

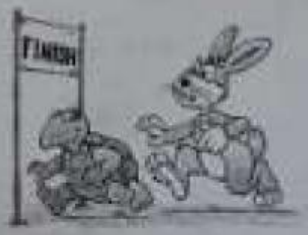

Meanwhile, the turtle is looking at the road. She never stops, it is very difficult for her but she is very close to the finish line. The rest of the animals are very happy and cheer. When the rabbit wakes up from his nap he sees the turtle about to cross the finish line. He tries to run fast but he is full of food and he can't.

Finally the turtle crosses the finish line and wins the race. *"Slow but steady wins the race"*. The arrogant rabbit realized his mistake. He feels sorry for laughing at the hard-working turtle.

"I'm really sorry, Tatty." Rabbit learns a lesson he will never forget.
