Spelling and Writing

Proofreading

This article has ten mistakes. Use the proofreading marks to fix each mistake. Then, write the misspelled **list words** correctly on the lines.

There is a story in the school newspaper about a local spice manufackturer called Spicy's. The company makesmany different spices to flavor food. Thesespices include cinnamon garlic, and pepper. They are used to flavor vinegar mustard different sauces, and pickles. In the article, the jurnalist said that Spicy's also produces some artificial flavorings. Using modern technolojy and current knowledge in biahlogy, they can make flavors that a consumor cannot tell from natural spices.
