

"My Daily Routine"

Hello! My name is Ana. I'm nine years old and I live in Ecuador. Every morning, I wake up at 6:30 and brush my teeth. Then, I eat breakfast with my family. At 7:30, I go to school and study English, Math, and Science. After school, I play soccer with my friends. In the evening, I do my homework, take a shower, and go to bed at 9:00. I love my daily routine!
