The school visit

On Tuesday 4 May, the science teacher, Mrs Wood, took the class to visit a science museum. It was an interesting museum, but Martin and his friends didn't like it. 'This is boring,' said Martin. When the science teacher wasn't looking, Martin and three friends ran to the park.

They played in the park for half an hour, but then they were bored again. It was only 11 o'clock. So they went to the river. 'This is fun!' said Martin. But when he was playing by the water, he fell in. The river was moving very quickly and he couldn't swim very well.

'Let's go and get the teacher,' said Martin's friends. So they ran to the museum and found her. 'Mrs Wood! Please come quickly! Martin is in the river!'

The teacher ran to the river. She could swim very well, so she jumped in and helped Martin.

Martin was feeling terrible when he climbed out of the river. He was wet, cold and sad. He said 'I'm sorry, Mrs Wood. I was very naughty.'

In June the class went to the city to visit the castle. This time Martin was good. He stayed next to the history teacher all the time.
