I) READ THE FOLLOWING LETTER CAREFULLY:

JAZMINE'S BEACH VOLLEYBALL BLOG

Saturday, 15th November

Today was an important day. We trained for seven hours!!! Why? We've got a big beach volleyball competition tomorrow! There are eight teams in the competition with the best players in the country. Every team has got two players. I'm in a team with Naomi, she's really good!

We started at 8:30 this morning. First, we went on our bikes for two hours. I love cycling. It's good exercise and you can become very fit. Then, we practised beach volleyball. It's a fast game and you need to move and jump all the time to catch and throw the ball.

At 12:30, we were tired, hungry and thirsty so we ate chicken with vegetables and, after that, we had a delicious fruit salad. It's important to have a good diet when you are doing a lot of sport! In the afternoon, we played matches with friends and we watched some other players. I'm very excited about the competition tomorrow.
