THE LIFE OF A SUPERMARKET MANAGER

Jonathan Matthews left school at seventeen, went to college and then worked in his father's mini-market. After two years he went to work for Bargain Foods and then he joined Saver Mall as a trainee manager. Three years later he got his present job as a supermarket manager with Saver Mall.

This is what he told us about his job:

'The supermarket where I am manager is in west London but I spend most of my time travelling by road to Saver Mall's supermarkets all over Britain. I need to see things in our other supermarkets. I also go to lots of meetings.

My work hours change every week because Saver Mall is open 24 hours a day. Last week I worked from 7 am to 11 pm. But this week I need to be at work from 7 a.m. to 3 p.m. The first thing I do each day is check my emails.

Sometimes I go to different countries to check how other supermarkets are doing. That's my favourite part of the job! But I like my work in London too. Travelling can be hard work. When I get back from the journeys I usually go straight to bed. I earn quite good money and I'm happy to work for Saver Mall.'
