

UNIÓN E INTERSECCIÓN DE CONJUNTOS

1.- Une la forma simbólica del conjunto con su forma gráfica.

$$A = \{\text{🍏}, \text{🍓}, \text{🍉}\} \bullet$$

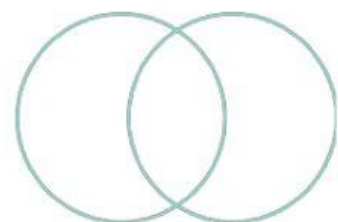

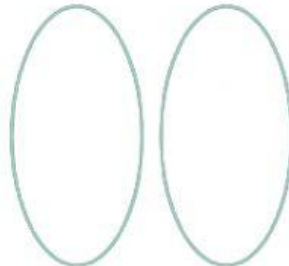

$$C = \{\text{🍐}, \text{🍇}\} \bullet$$

$$B = \{\text{🍐}, \text{🍉}, \text{🍇}\} \bullet$$

2.- Arrastra los gráficos y colócalos debajo de los conjuntos correspondientes.

$A = \{\text{🍏}, \text{🍓}, \text{🍉}\}$ $B = \{\text{🍐}, \text{🍉}, \text{🍇}\}$	$B = \{\text{🍐}, \text{🍉}, \text{🍇}\}$ $C = \{\text{🍐}, \text{🍇}\}$	$A = \{\text{🍏}, \text{🍓}, \text{🍉}\}$ $C = \{\text{🍐}, \text{🍇}\}$

3.- Arrastra

$A \cup B$	$=$	
$A \cup C$	$=$	
$B \cup C$	$=$	
$A \cap B$	$=$	
$A \cap C$	$=$	
$B \cap C$	$=$	

∅
