My adventure weekend By Daniel Page

Hi, I'm Daniel. Welcome to my blog! I'm at a camp in Wales, near Snowdonia.

Day 1: Saturday

We arrived here last night and got up early today. After breakfast, we cycled to the mountains. The path was very high and after an hour I was really tired. We stopped for a rest at the top. Suddenly, a big mountain goat appeared right in front of us. We jumped on our bikes and cycled back to camp as fast as possible! After lunch, we went canoeing on the lake. There were three of us in my canoe. We weren't very good at canoeing at the start. But in the end, we learnt to paddle in the right direction and work together. Then, Nick saw a big bird and he wanted to take a photo of it. He moved quickly to get his camera. Suddenly, he fell in the water! Tom and I wanted to help him, but the canoe turned over and then all three of us were in the water. It was very cold! Luckily, we were near the camp so it was easy to swim back. When we arrived, we were very wet and muddy! Now we're resting and I'm writing this blog. Tomorrow, we're going rock climbing.
